4.1. The **Insurer** may at any time pay the **Insured** the limit of indemnity applicable to:

4.1.1. an **Occurrence**; or

4.1.2. the **Period of Insurance**;

(less any sums already paid in respect of that **Occurrence** or **Period of Insurance**), or any lesser amount for which all claims arising out of that **Occurrence** or **Period of Insurance** can be settled.

4.2. Thereafter the **Insurer** may relinquish the conduct and control of those claims and be under no further liability in connection with them except in respect of “Insuring Agreements (what is covered): 2” of the Public & Products Liability Section of this **Policy**.

4.3. If the amount ultimately required to settle the claim exceeds the applicable limit of indemnity then, provided that the balance of the amount required to settle the claim is insured either in whole or in part with defence costs payable in addition to the applicable limit of indemnity under this **Policy** then the **Insurer** will also contribute their proportion of subsequent defence costs incurred with their consent.

5. Other insurance

5.1. If in respect of any claim under this **Policy** there is any other insurance or **Indemnity** in **Your** favour in force relative to that claim, or there would be but for the existence of this **Policy**, except in respect of defence costs payable in addition to the limit of indemnity under this **Policy**, the **Insurer's** liability will be limited to the amount in excess of that which is or would have been payable (but for the existence of this **Policy**) in respect of that claim and subject always to the applicable limit of indemnity.

6. Claims co-operation

- 6.1. The **Insured** must use due diligence and do and concur in doing all things reasonably practicable to avoid or diminish any loss under this **Policy**, and must as soon as reasonably practicable give all information and assistance to the **Insurer** as it may reasonably require to enable it to investigate and to defend the **Claim** and/or to enable the **Insurer** to determine its liability under this **Policy**.
- 6.2. The **Insurer** may, on the receipt by it of the notice from the **Insured** of any request, for **Indemnity** under this **Policy**, take whatever action that it considers appropriate to protect the **Insured's** position in respect of the **Claim** against the **Insured**. Any action by the **Insurer** in this respect will not be regarded:
 - 6.2.1. as prejudicing its position under this **Policy**;
 - 6.2.2. as or imply an admission by the **Insurer** of the **Insured's** entitlement to **Indemnity** under this **Policy**.
- 6.3. Solicitors retained by the **Insurer** to act on behalf of the **Insured** in relation to any **Claim** against the **Insured** will at all times be at liberty to disclose to the **Insurer** any information obtained by the solicitors, whether from the **Insured** or elsewhere. The **Insured** waives all claim to legal professional privilege between the **Insured** and the **Insurer** which the **Insured** might otherwise have in respect of that information.

7. Remedy for fraud

If **You** or anyone acting on **Your** behalf makes a fraudulent claim under **Your Policy**, including providing fraudulent information or documentation, the **Insurer** will:

- a) refuse to pay the claim;
- b) seek to recover any costs already incurred by the **Insurer** relating to the fraudulent claim;
- c) have the option to cancel the **Policy** from the date of the fraudulent act; and
- d) keep any premium paid to **Us**.

This will not affect separate claims made before the fraudulent act, unless they too were fraudulent.

GENERAL CONDITIONS

The following apply to all sections of this **Policy** unless stated otherwise.

These are conditions of the insurance that **You** need to meet as **Your** part of this contract. If **You** do not meet these conditions, **We reserve the right** to reject a claim payment or a claim payment may be reduced. In some circumstances **Your Policy** may not be valid.

1. Loss or suspension of registration

(This General Condition does not apply to the Employers' Liability Section of this Policy)

The **Insured** must give notice in writing to **Us** as soon as reasonably practicable if the statutory registration and/or licensing of a **Qualified Person** or the club (if the **Insured** specified in the **Schedule** is a club) lapses or is cancelled, suspended or terminated.

2. Queen's Counsel

The **Insurer** will not require the **Insured** to contest any legal proceedings in respect of any **Claim** against the **Insured**.

The **Insured** cannot require the **Insurer** to contest, on its behalf, any legal proceedings in respect of any **Claim** unless a Queen's Counsel (to be mutually agreed upon by the **Insured** and the **Insurer**) advises that such proceedings should be contested.

In formulating the advice Queen's Counsel will take into consideration:

- the economics of the matter, having regard to the damages and costs which are likely to be recovered by the Claimant;
- the likely costs of defence and the prospects of the **Insured** successfully defending the **Claim** .

The cost of the Queen's Counsel opinion will, for the purposes of this **Policy**, be regarded as part of the costs of defence.

In the event Queen's Counsel advises that having regard to all the circumstances the matter should not be contested but should be settled, providing settlement can be achieved within certain limits which in Queen's Counsel's opinion are reasonable, then the **Insured** will not object to any such settlement and will as soon as reasonably practicable tender to the **Insurer** the applicable **Excess** (or **Excesses** if more than one **Claim**) specified in the **Schedule**.

3. Subrogation

The **Insurer** will not exercise any subrogation rights of recovery against any **Employee** or former **Employee** of the **Insured** unless the **Claim** has been brought about or contributed to by the dishonest, fraudulent, criminal or malicious act or omission of the **Employee** or former **Employee**.

4. Cancellation

Cooling off period

This insurance has a cooling off period of fourteen (14) days. Please see "How to cancel this insurance" on page 24 of this **Policy**.

After the cooling off period

You may cancel this insurance after the cooling off period by giving **Us** 30 days' notice in writing to **Our** address as stated in this **Policy**.

We may cancel this insurance where there is a valid reason by giving **You** 30 days' notice in writing to **Your** last known address. Examples of valid reasons are as follows:

Non-payment of premium;

A change in risk occurring which means that **We** can no longer provide **You** with insurance cover;

Non-cooperation or failure to supply any information or documentation **We** request;

Failure to inform **Us** of changes to information provided by **You** or that have been requested by **Us**.

Return of premium (after the cooling off period)

Any return premium due to **You** will depend on how long this insurance has been in force and whether **You** have made a claim.

Unless the premium has been calculated on any estimates provided by **You**;

if **We** cancel this insurance **We** will return that proportion of the premium stated in the **Schedule** as the time this **Policy** has been in force bears to the **Period of Insurance**;

or

if **You** cancel this insurance **We** will return that proportion of the premium stated in the **Schedule** as the time this **Policy** has been in force bears to the **Period of Insurance**, less £25 GBP administration fee;

but if the premium at the commencement of the **Period of Insurance** has been calculated on any estimates provided by **You**, it will be adjusted in accordance with "General Conditions: 5. Adjustment of premium" on page 22.

However, despite paragraph 0 above if the **Insurer** has paid any claim, in whole or in part, **You** will not receive any refund of premium.

The **Insured** will be responsible for cancelling any Direct Debit Mandate (if applicable).

5. Adjustment of premium

Where the premium is provisionally based on **Your** estimates **You** must keep accurate records and within 90 days of the expiry of the **Period of Insurance** declare actual values as **We** require.

The premium will then be adjusted and any difference paid to **Us** or allowed to **You**.

Where the estimates include remuneration to **Employees** the required declaration must also include remuneration to all persons defined as **Employees** by this **Policy**.

Failure to declare these particulars to **Us** will entitle **Us** to estimate those actual values if **We** so wish and to assess further premium payment due, basing the calculation on **Your** original estimated values.

6. Remedy for breach of the duty of fair presentation

(1) Before this Policy was entered into

If **You** have breached **Your** duty to make a fair presentation of the risk to **Us** before this **Policy** was entered into, then:

- a) where the breach was deliberate or reckless, the **Insurer** may avoid this **Policy** and refuse all claims and keep all premiums paid;
- b) where the breach was neither deliberate nor reckless and, but for the breach:
 - i) We would not have agreed to provide cover under this Policy on any terms:
 - the **Insurer** may avoid this **Policy** and refuse all claims, but will return any premiums paid;
 - ii) We would have agreed to provide cover under this Policy, but on different terms (other than premium terms):
 - We** may require that this **Policy** includes those different terms with effect from its start; and/or
 - iii) We would have agreed to provide cover under this Policy, but would have charged a higher premium:
 - a. if the discovery of the breach arose because of a claim, at **Your** option:
 - i. the **Insurer** will reduce proportionately the amount paid on a claim. The **Insurer** will pay only X% of what the **Insurer** would otherwise have been required to pay, where $X = \text{premium actually charged} \div \text{the higher premium that would have been charged} \times 100$; or
 - ii. the **Insurer** will pay the claim in full provided that **You** pay to **Us** the additional premium that **We** would have charged, but for **Your** breach of the duty of fair presentation, calculated from the start of the **Period of Insurance**.
 - b. If the discovery of the breach did not arise because of a claim **You** must pay to **Us** the additional premium that **We** would have charged, but for **Your** breach of the duty of fair presentation, calculated from the start of the **Period of Insurance**.

(2) **Before a variation was agreed**

If **You** have breached **Your** duty to make a fair presentation of the risk to **Us** before any variation to this **Policy** was agreed, then:

- a) If the breach was deliberate or reckless, the **Insurer** may terminate this **Policy** with effect from the date of the variation, and keep all premiums paid;
- b) where the breach was neither deliberate nor reckless and, but for the breach:
 - i) We would not have agreed to the variation on any terms:
 - We** may treat this **Policy** as though the variation was never made, but will return any additional premiums paid in relation to the variation;
 - ii) We would have agreed to the variation, but on different terms (other than premium terms):
 - We** may require that the variation includes those different terms with effect from the date the variation was made; and/or
 - iii) We would have agreed to the variation, but would have increased the premium, or would have increased it by more than **We** did, or would not have reduced it or would have reduced it by less than **We** did:
 - a. if the discovery of the breach arose because of a claim, at **Your** option:
 - i. the **Insurer** may reduce proportionately the amount paid on a claim arising out of events after the variation. In those circumstances, the **Insurer** will pay only Y% of what the **Insurer** would otherwise have been required to pay, where $Y = \text{total premium actually charged} \div \text{the premium that would have been charged} \times 100$; or
 - ii. the **Insurer** will pay the claim in full provided that **You** pay to **Us** the additional premium that we would have charged, but for the breach of the duty of fair presentation, calculated from the date the variation was entered into.
 - b. If the discovery of the breach did not arise because of a claim, **You** must pay to **Us** the additional premium that **We** would have charged, but for the breach of the duty of fair presentation, calculated from the date the variation was entered into.
 - iv) where **We** would have agreed to the variation, but on different terms and **We** would also have increased the premium, or would have increased it by more than **We** did, or would not have reduced it or would have reduced it by less than **We** did:
 - a. **We** may require that the variation includes those different terms with effect from the date the variation was made; and
 - b. 2.(2)b)iii) as shown above will also apply.
